Membership of the Society: 1973/74

Approaches have been made to all members in 1972/73 to carry forward their support into 1973/74: if you have not already done so will you please respond quickly. And if you can give any help in extending the membership by personal proselytising, we shall be very grateful.

In the Regions

We have recently lost the services of two Regional Secretaries who both took a very positive interest in the development of the Society. Mr. Stanley Martin left on his retirement from his Co-operative Union post in the Midlands, and Mr. D. Brown on moving to a new appointment with the North Eastern Society.

Mr. P. J. Bushell, the new Sectional Secretary for the Co-operative Union in the Midlands, takes Mr. Martin's place: and Mr. G. V. J. Pratt who is extending his span in Co-operative Union responsibility to cover the Northern as well as the North-Eastern Section, takes the place of Mr. Brown.
